MEDICAL EXPLORERS POST 905
SPAGHETTI FEED FUNDRAISER

APRIL 26, 2014
4:00 TO 7:00 PM

UNITED METHODIST CHURCH
1919 W PIONEER,
PUYALLUP, WA 98371

The Medical Explorers program allows teens to explore health careers through hands-on interactions with health care providers currently working in the field. The result is a program of activities that help youth pursue their interest in medical careers, grow and develop as young adults. Medical Explorers are learning about the variety of health related careers to include emergency medical services, nursing, medicine, radiology, pharmacy, medical records, social work, computer information services, dietary and many more fields. This is the only major fundraiser the Medical Explorers hold. Your contribution/donation will be a significant part of their operating funds. Central Pierce Fire & Rescue sponsors and is instrumental in promoting their career choice.
