**MMSEA REPORTING COMPLIANCE DECLARATION**

The Centers for Medicare & Medicaid Services (CMS) is the federal agency that oversees the Medicare program. Many Medicare beneficiaries have other insurance in addition to their Medicare benefits. Sometimes, Medicare is supposed to pay after the other insurance. However, if certain other insurance delays payment, Medicare may make a “conditional payment” so as not to inconvenience the beneficiary and recover after the insurance pays.

Section 111 of the Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA), a federal law that became effective January 1, 2009, requires that liability insurers (including self-insurers like the state of Washington), no-fault insurers, and workers’ compensation plans report specific information about Medicare beneficiaries who have other insurance coverage. This reporting is to assist CMS and other insurance plans to properly coordinate payment of benefits among plans so that your claims are paid promptly and correctly. Please answer the questions below so that we may comply with this law.
