COMMISSIONER COMMENTS

Ex-Officio/Mayor Door – Requested copy of Armory MOU. Last evening as Mayor. Committee assignments will be appointed by new mayor.

DRAFT – Not Official Until Approved

Commissioner Coleman - Welcomed Commissioner Mitchell and wished him good luck.

Commissioner Mitchell – Thank you to everyone on allowing him to join the Board. Pleased to be a part of it and looking forward to becoming more informed.

Commissioner Stringfellow – One of the strongest advocates for a station at Armory location but is upset and concerned after reading the MOU. Already in design stage and soil testing. A lot of taxpayer money has been spent towards this project.

Commissioner Willis - Agreed with Commissioner Stringfellow. Have fully functioning station at current location and there may be a time we need to walk away. Congratulations to Training Division. Policies need to be streamlined and more to the point.

Commissioner Holm - Concurs with other Commissioners on Armory. DC Karns spoke with realtor who is concerned about what may come from archaeological study. Chief Morrow clarified that Staff is in no way responsible for this and explained the lack of communication. Property is still a viable option. Chief Morrow needs more time to evaluate the MOU. FD Robacker noted that through November, we have expended \$137,657 on the project.

EXECUTIVE SESSION

At 6:02 p.m., Commissioner Stringfellow moved and Commissioner Willis seconded to move into Executive Session for 10 minutes under RCW 42.30.140 – collective bargaining update until 6:12 p.m. **MOTION CARRIED.**

SUMMARY:

Staff has been working with Kidder Mathews to secure a parcel for the future replacement of Station 66. Kidder Mathews has negotiated a Purchase and Sales Agreement on 2.39 acres that is ideally located for the new Station 66.

Staff is seeking to formally enter into the Purchase and Sales Agreement with the sellers, conduct the feasibility assessment, and pending any other contingencies, move towards closing when available.

Staff recommends the Board move to approve the purchase as outlined in the Purchase and Sales Agreement and authorize the Fire Chief or his designee to sign and execute all required documents.

FINANCIAL IMPACT: \$662,500.00

COMMERCIAL & INVESTMENT REAL ESTATE PURCHASE & SALE AGREEMENT

(CONTINUED)

GENERAL TERMS

- 19. Purchase and Sale. Buyer agrees to buy and Seller agrees to sell the commercial real estate identified in Section 1 as the Property and all improvements thereon. Unless expressly provided otherwise in this Agreement or its Addenda, the Property shall include (i) all of Seller's rights, title and interest in the Property, (ii) all easements and rights appurtenant to the Property, (iii) all buildings, fixtures, and improvements on the Property, (iv) all unexpired leases and subleases; and (v) all included personal property.
- 20. Acceptance; Counteroffers. If this offer is not timely accepted, it shall lapse and the earnest money shall be refunded to Buyer. If either party makes a future counteroffer, the other party shall have until 5:00 p.m. on the day (if not filled in, the second day) following receipt to accept the counteroffer, unless sooner withdrawn. If the counteroffer is not timely accepted or countered, this Agreement shall lapse and the earnest money shall be refunded to Buyer. No acceptance, offer or counteroffer from Buyer is effective until a signed copy is received by Seller, the Listing Broker or the licensed office of the Listing Broker. No acceptance, offer or counteroffer from Seller is effective until a signed copy is received by Buyer, the Selling Broker or the licensed office of the Selling Broker. "Mutual Acceptance" shall occur when the last counteroffer is signed by the offeree, and the fully-signed counteroffer has been received by the offeror, his or her broker, or the licensed office of the broker. If any party is not represented by a broker, then notices must be delivered to that party and shall be effective when received by that party.
- 21. Earnest Money. Selling Broker and Selling Firm are authorized to transfer Earnest Money to Closing Agent as necessary. Selling Firm shall deposit any check to be held by Selling Firm within 3 days after receipt or Mutual Acceptance, whichever occurs later. If the Earnest Money is to be held by Selling Firm and is over \$10,000, it shall be deposited to: ☐ the Selling Firm's pooled trust account (with interest paid to the State Treasurer); or 🛛 a separate interest bearing trust account in Selling Firm's name, provided that Buyer completes an IRS Form W-9 (if not completed, separate interest bearing trust account). The interest, if any, shall be credited at closing to Buyer. If this sale fails to close, whoever is entitled to the Earnest Money is entitled to interest. Unless otherwise provided in this Agreement, the Earnest Money shall be applicable to the Purchase Price.

22. Title Insurance.

- a. Title Report. Seller authorizes Buyer, its Lender, Listing Broker, Selling Broker or Closing Agent, at Seller's expense, to apply for and deliver to Buyer a standard coverage owner's policy of title insurance from the Title Insurance Company. Buyer shall have the discretion to apply for an extended coverage owner's policy of title insurance and any endorsements, provided that Buyer shall pay the increased costs associated with an extended policy including the excess premium over that charged for a standard coverage policy, the cost of any endorsements requested by Buyer, and the cost of any survey required by the title insurer. If Seller previously received a preliminary commitment from a title insurer that Buyer declines to use, Buyer shall pay any cancellation fee owing to the original title insurer. Otherwise, the party applying for title insurance shall pay any title cancellation fee, in the event such a fee is assessed.
- b. Permitted Exceptions. Buyer shall notify Seller of any objectionable matters in the title report or any supplemental report within the earlier of: (a) days (20 days if not completed) after receipt of the preliminary commitment for title insurance; or (b) the Feasibility Contingency Date. This Agreement shall terminate and Buyer shall receive a refund of the earnest money, less any costs advanced or committed for Buyer, unless within five (5) days of Buyer's notice of such objections Seller shall give notice, in writing,

of its intent to remove all objectionable provisions before Closing. If Seller fails to give timely notice that it will clear all disapproved objections, this Agreement shall automatically terminate and Buyer shall receive a refund of the earnest money, less any costs advanced or committed for Buyer, unless Buyer notifies Seller within three (3) days that Buyer waives any objections which Seller does not agree to remove. If any new title matters are disclosed in a supplemental title report, then the preceding termination, objection and waiver provisions shall apply to the new title matters except that Buyer's notice of objections must be delivered within three (3) days of receipt of the supplemental report by Buyer and Seller's response or Buyer's waiver must be delivered within two (2) days of Buyer's notice of objections. The Closing Date shall be extended to the extent necessary to permit time for these notices. Buyer shall not be required to object to any mortgage or deed of trust liens, or the statutory lien for real property taxes, and the same shall not be deemed to be Permitted Exceptions; provided, however, that the lien securing any financing which Buyer has agreed to assume shall be a Permitted Exception. Except for the foregoing, those provisions not objected to or for which Buyer waived its objections shall be referred to collectively as the "Permitted Exceptions." Seller shall reasonably cooperate with Buyer and the title company to clear objectionable title matters and shall provide an affidavit containing the information and reasonable covenants requested by the title company. The title policy shall contain no exceptions other than the General Exclusions and Exceptions common to such form of policy and the Permitted Exceptions.

- c. Title Policy. At Closing, Buyer shall receive an ALTA Form 2006 Owner's Policy of Title Insurance with standard or extended coverage (as specified by Buyer) dated as of the Closing Date in the amount of the Purchase Price, insuring that fee simple title to the Property is vested in Buyer, subject only to the Permitted Exceptions ("Title Policy"), provided that Buyer acknowledges that obtaining extended coverage may be conditioned on the Title Company's receipt of a satisfactory survey paid for by Buyer. If Buyer elects extended coverage, then Seller shall execute and deliver to the Title Company on or before Closing the such affidavits and other documents as the Title Company reasonably and customarily requires to issue extended coverage.
- 23. Feasibility Contingency. Buyer's obligations under this Agreement are conditioned upon Buyer's satisfaction, in Buyer's sole discretion, concerning all aspects of the Property, including its physical condition; the presence of or absence of any hazardous substances; the contracts and leases affecting the Property; the potential financial performance of the Property; the availability of government permits and approvals; and the feasibility of the Property for Buyer's intended purpose. This Agreement shall terminate and Buyer shall receive a refund of the earnest money unless Buyer gives notice that the Feasibility Contingency is satisfied to Seller before 5:00pm on the Feasibility Contingency Date. If such notice is timely given, the feasibility contingency shall be deemed to be satisfied and Buyer shall be deemed to have accepted and waived any objection regarding any aspects of the Property as they exist on the Feasibility Contingency Date.
 - a. Books, Records, Leases, Agreements. Within ten (10) days (3 days if not filled in) Seller shall deliver to Buyer or post in an online database maintained by Seller or Listing Broker, to which Buyer has been given unlimited access, true, correct and complete copies of all documents in Seller's possession or control relating to the ownership, operation, renovation or development of the Property, excluding appraisals or other statements of value, and including the following: statements for real estate taxes, assessments, and utilities for the last three years and year to date; property management agreements and any other agreements with professionals or consultants; leases or other agreements relating to occupancy of all or a portion of the Property and a suite-by-suite schedule of tenants, rents, prepaid rents, deposits and fees; plans, specifications, permits, applications, drawings, surveys, and studies; maintenance records, accounting records and audit reports for the last three years and year to date; any existing environmental reports; any existing surveys; any existing inspection reports; and "Vendor Contracts" which shall include

maintenance or service contracts, and installments purchase contracts or leases of personal property or fixtures used in connection with the Property. Buyer shall determine by the Feasibility Contingency Date: (i) whether Seller will agree to terminate any objectionable Vendor Contracts; and (ii) whether Seller will agree to pay any damages or penalties resulting from the termination of objectionable Vendor Contracts. Buyer's waiver of the Feasibility Contingency shall be deemed Buyer's acceptance of all Vendor Contracts which Seller has not agreed in writing to terminate. Buyer shall be solely responsible for obtaining any required consents to such assumption and the payment of any assumption fees. Seller shall cooperate with Buyer's efforts to receive any such consents but shall not be required to incur any out-of-pocket expenses or liability in doing so. Any information provided or to be provided by Seller with respect to the Property is solely for Buyer's convenience and Seller has not made any independent investigation or verification of such information (other than that the documents are true, correct, and complete, as stated above) and makes no representations as to the accuracy or completeness of such information, except to the extent expressly provided otherwise in this Agreement. Seller shall transfer the Vendor Contracts as provided in Section 25.

- b. Access. Seller shall permit Buyer and its agents, at Buyer's sole expense and risk, to enter the Property at reasonable times subject to the rights of and after legal notice to tenants, to conduct inspections concerning the Property, including without limitation, the structural condition of improvements, hazardous materials, pest infestation, soils conditions, sensitive areas, wetlands, or other matters affecting the feasibility of the Property for Buyer's intended use. Buyer shall schedule any entry onto the Property with Seller in advance and shall comply with Seller's reasonable requirements including those relating to security, confidentiality, and disruption of Seller's tenants. Buyer shall not perform any invasive testing including environmental inspections beyond a phase I assessment or contact the tenants or property management personnel without obtaining Seller's prior written consent, which shall not be unreasonably withheld, conditioned or delayed. Buyer shall restore the Property and all improvements to substantially the same condition they were in prior to inspection. Buyer shall be solely responsible for all costs of its inspections and feasibility analysis and has no authority to bind the Property for purposes of statutory liens. Buyer agrees to indemnify and defend Seller from all liens, costs, claims, and expenses, including attorneys' and experts' fees, arising from or relating to entry onto or inspection of the Property by Buyer and its agents, which obligation shall survive closing. Buyer may continue to enter the Property in accordance with the terms and conditions set forth in this Section 23 after removal or satisfaction of the Feasibility Contingency only for the purpose of leasing or to satisfy conditions of financing.
- c. \square (check if applicable) **Access Insurance.** Notwithstanding anything in this Section 23 to the contrary, prior to entering the Property and while conducting any inspections pursuant to subsection (b) above, Buyer shall, at no cost or expense to Seller: (a) procure and maintain commercial general liability (occurrence) insurance in an amount no less than \$2,000,000 on commercially reasonable terms adequate to insure against all liability arising out of any entry onto or inspections of the Property that lists Seller and Tenant as additional insureds; and (b) deliver to Seller prior to entry upon the Property certificates of insurance for Buyer and any applicable agents or representatives evidencing such required insurance.
- d. Buyer waivesdoes NOT WAIVE, to the fullest extent permissible by law, the right to receive a seller disclosure statement (e.g. "Form 17") if required by RCW 64.06 and its right to rescind this Agreement pursuant thereto. However, if Seller would otherwise be required to provide Buyer with a Form 17, and if the answer to any of the questions in the section of the Form 17 entitled "Environmental" would be "yes," then Buyer does not waive the receipt of the "Environmental" section of the Form 17 which shall be provided by Seller.

24. Conveyance. Title shall be conveyed subject only to the Permitted Exceptions. If this Agreement is for conveyance of Seller's vendee's interest in a Real Estate Contract, the deed shall include a contract vendee's assignment sufficient to convey after-acquired title. At Closing, Seller and Buyer shall execute and deliver to Closing Agent CBA Form PS-AS Assignment and Assumption Agreement transferring all leases and Vendor Contracts assumed by Buyer pursuant to Section 25(b) and all intangible property transferred pursuant to Section 25(b).

25. Personal Property.

- a. If this sale includes the personal property located on and used in connection with the Property, Seller will itemize such personal property in an Exhibit to be attached to this Agreement within ten (10) days of Mutual Acceptance. The value assigned to any personal property shall be \$\omega\$ \$\frac{0.00}{2}\$ (if not completed, the County-assessed value if available, and if not available, the fair market value determined by an appraiser selected by the Listing Broker and Selling Broker). Seller warrants title to, but not the condition of, the personal property and shall convey it by bill of sale.
- b. In addition to the leases and Vendor Contracts assumed by Buyer pursuant to Section 24 above, this sale includes all right, title and interest of Seller to the following intangible property now or hereafter existing with respect to the Property including without limitation: all rights-of-way, rights of ingress or egress or other interests in, on, or to, any land, highway, street, road, or avenue, open or proposed, in, on, or across, in front of, abutting or adjoining the Property; all rights to utilities serving the Property; all drawings, plans, specifications and other architectural or engineering work product; all governmental permits, certificates, licenses, authorizations and approvals; all rights, claims, causes of action, and warranties under contracts with contractors, engineers, architects, consultants or other parties associated with the Property; all utility, security and other deposits and reserve accounts made as security for the fulfillment of any of Seller's obligations; any name of or telephone numbers for the Property and related trademarks, service marks or trade dress; and guaranties, warranties or other assurances of performance received.
- 26. Seller's Underlying Financing. Unless Buyer is assuming Seller's underlying financing, Seller shall be responsible for confirming the existing underlying financing is not subject to any "lock out" or similar covenant which would prevent the lender's lien from being released at closing. In addition, Seller shall provide Buyer notice prior to the Feasibility Contingency Date if Seller is required to substitute securities for the Property as collateral for the underlying financing (known as "defeasance"). If Seller provides this notice of defeasance to Buyer, then the parties shall close the transaction in accordance with the process described in CBA Form PS_D or any different process identified in Seller's defeasance notice to Buyer.

- 27. Closing of Sale. Buyer and Seller shall deposit with Closing Agent by 12:00 p.m. on the scheduled Closing Date all instruments and monies required to complete the purchase in accordance with this Agreement. Upon receipt of such instruments and monies, Closing Agent shall cause the deed to be recorded and shall pay to Seller, in immediately available funds, the Purchase Price less any costs or other amounts to be paid by Seller at Closing. "Closing" shall be deemed to have occurred when the deed is recorded and the sale proceeds are available to Seller. Time is of the essence in the performance of this Agreement. Sale proceeds shall be considered available to Seller, even if they cannot be disbursed to Seller until the next business day after Closing. Notwithstanding the foregoing, if Seller informed Buyer before the Feasibility Contingency Date that Seller's underlying financing requires that it be defeased and may not be paid off, then Closing shall be conducted in accordance with the three (3)-day closing process described in CBA Form PS_D. This Agreement is intended to constitute escrow instructions to Closing Agent. Buyer and Seller will provide any supplemental instructions requested by Closing Agent provided the same are consistent with this Agreement.
- 28. Closing Costs and Prorations. Seller shall deliver an updated rent roll to Closing Agent not later than two (2) days before the scheduled Closing Date in the form required by Section 23(a) and any other information reasonably requested by Closing Agent to allow Closing Agent to prepare a settlement statement for Closing. Seller certifies that the information contained in the rent roll is correct as of the date submitted. Seller shall pay the premium for the owner's standard coverage title policy. Buyer shall pay the excess premium attributable to any extended coverage or endorsements requested by Buyer, and the cost of any survey required in connection with the same. Seller and Buyer shall each pay one-half of the escrow fees. Any real estate excise taxes shall be paid by the party who bears primary responsibility for payment under the applicable statute or code. Real and personal property taxes and assessments payable in the year of closing; collected rents on any existing tenancies; expenses already incurred by Seller that relate to services to be provided to the Property after the Closing Date; interest; utilities; and other operating expenses shall be prorated as of Closing. Seller will be charged and credited for the amounts of all of the pro-rated items relating to the period up to and including 11:59 pm Pacific Time on the day preceding the Closing Date, and Buyer will be charged and credited for all of the pro-rated items relating to the period on and after the Closing Date. Buyer shall pay to Seller at Closing an additional sum equal to any utility deposits or mortgage reserves for assumed financing for which Buyer receives the benefit after Closing. Buyer shall pay all costs of financing including the premium for the lender's title policy. - 29. Post-Closing Adjustments, Collections, and Payments. After Closing, Buyer and Seller shall reconcile the actual amount of revenues or liabilities upon receipt or payment thereof to the extent those items were prorated or credited at Closing based upon estimates. Any bills or invoices received by Buyer after Closing which relate to services rendered or goods delivered to the Seller or the Property prior to Closing shall be paid by Seller upon presentation of such bill or invoice. At Buyer's option, Buyer may pay such bill or invoice and be reimbursed the amount paid plus interest at the rate of 12% per annum beginning fifteen (15) days from the date of Buyer's written demand to Seller for reimbursement until such reimbursement is made. Notwithstanding the foregoing, if tenants pay certain expenses based on estimates subject to a post-closing reconciliation to the actual amount of those expenses, then Buyer shall be entitled to any surplus and shall be liable for any credit resulting from the reconciliation. Rents collected from each tenant after Closing shall be applied first to rentals due most recently from such tenant for the period after closing, and the balance shall be applied for the benefit of Seller for delinquent rentals owed for a period prior to closing. The amounts applied for the benefit of Seller shall be turned over by Buyer to Seller promptly after receipt. Seller shall be entitled to pursue any lawful methods of collection of delinquent rents but shall have no right to evict tenants after Closing. Any adjustment shall be made, if any, within 180 days of the Closing Date, and if a party fails to request an adjustment by notice delivered to the other party within the applicable period set forth above (such notice to specify in reasonable detail the items within the Closing Statement that such party desires to adjust and the reasons for such adjustment), then the allocations and prorations at Closing shall be binding and conclusive against such party.
- 30. Operations Prior to Closing. Prior to Closing, Seller shall continue to operate the Property in the ordinary course of its business and maintain the Property in the same or better condition than as existing on the date of Mutual Acceptance but shall not be required to repair material damage from casualty except as otherwise provided in this Agreement. After the Feasibility Contingency Date, Seller shall not enter into or modify existing rental agreements or leases (except that Seller may enter into, modify, extend, renew or terminate residential rental agreements or residential leases for periods of 12 months or less in the ordinary course of its business), service contracts, or other agreements affecting the Property which have terms extending beyond Closing without obtaining Buyer's consent, which shall not be withheld unreasonably.

32. Seller's Representations. Except as disclosed to or known by Buyer prior to the satisfaction or waiver of the Feasibility Contingency, including in the books, records and documents made available to Buyer, or in the title report or any supplemental report or documents referenced therein, Seller represents to Buyer that, to the best of Seller's actual knowledge, each of the following is true as of the date hereof: (a) Seller is authorized to enter into the Agreement, to sell the Property, and to perform its obligations under the Agreement, and no further consent, waiver, approval or authorization is required from any person or entity to execute and perform under this Agreement; (b) The books, records, leases, agreements and other items delivered to Buyer pursuant to this Agreement comprise all material documents in Seller's possession or control regarding the operation and condition of the Property, are true, accurate and complete to the best of Seller's knowledge, and no other contracts or agreements exist that will be binding on Buyer after Closing; (c) Seller has not received any written notices that the Property or any business conducted thereon violate any applicable laws, regulations, codes and ordinances; (d) Seller has all certificates of occupancy, permits, and other governmental consents necessary to own and operate the Property for its current use; (e) There is no pending or threatened litigation which would adversely affect the Property or Buyer's ownership thereof after Closing; (f) There is no pending or threatened condemnation or similar proceedings affecting the Property. and the Property is not within the boundaries of any planned or authorized local improvement district; (g) Seller has paid (except to the extent prorated at Closing) all local, state and federal taxes (other than real and personal property taxes and assessments described in Section 28 above) attributable to the period prior to closing which, if not paid, could constitute a lien on Property (including any personal property), or for which Buyer may be held liable after Closing; (h) Seller is not aware of any concealed material defects in the Property except as disclosed to Buyer before the Feasibility Contingency Date; (i) There are no Hazardous Substances (as defined below) currently located in, on, or under the Property in a manner or quantity that presently violates any Environmental Law (as defined below); there are no underground storage tanks located on the Property; and there is no pending or threatened investigation or remedial action by any governmental agency regarding the release of Hazardous Substances or the violation of Environmental Law at the Property; (j) Seller has not granted any options nor obligated itself in any matter whatsoever to sell the Property or any portion thereof to any party other than Buyer; and (k) Neither Seller nor any of its respective partners, members, shareholders or other equity owners, is a person or entity with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute or executive order; and (I) the individual signing this Agreement on behalf of Seller represents and warrants to Buyer that he or she has the authority to act on behalf of and bind Seller. The term "Hazardous Substances" specifically includes, but is not limited to, petroleum, petroleum by-products, and asbestos.

If prior to Closing Seller or Buyer discovers any information which would cause any of the representations above to be false if the representations were deemed made as of the date of such discovery, then the party discovering the information shall promptly notify the other party in writing and Buyer, as its sole remedy, may elect to terminate this Agreement by giving Seller notice of such termination within five (5) days after Buyer first received actual notice (with the Closing Date extended to accommodate such five (5) day period), and in such event, the Earnest Money Deposit shall be returned to Buyer. Buyer shall give notice of termination within five (5) days of discovering or receiving written notice of the new information. Nothing in this paragraph shall prevent Buyer from pursuing its remedies against Seller if Seller had actual knowledge of the newly discovered information such that a representation provided for above was false.

- 33. As-Is. Except for the express representations and warranties in this Agreement, (a) Seller makes no representations or warranties regarding the Property; (b) Seller hereby disclaims, and Buyer hereby waives, any and all representations or warranties of any kind, express or implied, concerning the Property or any portion thereof, as to its condition, value, compliance with laws, status of permits or approvals, existence or absence of hazardous material on site, suitability for Buyer's intended use, occupancy rate or any other matter of similar or dissimilar nature relating in any way to the Property, including the warranties of fitness for a particular purpose, tenantability, habitability and use; (c) Buyer takes the Property "AS IS" and with all faults; and (d) Buyer represents and warrants to Seller that Buyer has sufficient experience and expertise such that it is reasonable for Buyer to rely on its own pre-closing inspections and investigations.
- 34. Buyer's Representations. Buyer represents that Buyer is authorized to enter into the Agreement; to buy the Property; to perform its obligations under the Agreement; and that neither the execution and delivery of this Agreement nor the consummation of the transaction contemplated hereby will: (a) conflict with or result in a breach of any law, regulation, writ, injunction or decree of any court or governmental instrumentality applicable to Buyer; or (b) constitute a breach of any agreement to which Buyer is a party or by which Buyer is bound. The individual signing this Agreement on behalf of Buyer represents that he or she has the authority to act on behalf of and bind Buyer.
- 35. Claims. Any claim or cause of action with respect to a breach of the representations and warranties set forth herein shall survive for a period of nine (9) months from the Closing Date, at which time such representations and warranties (and any cause of action resulting from a breach thereof not then in litigation, including indemnification claims) shall terminate. Notwithstanding anything to the contrary in this Agreement: (a) Buyer shall not make a claim against Seller for damages for breach or default of any representation or warranty, unless the amount of such claim is reasonably anticipated to exceed \$25,000; and (b) under no circumstances shall Seller be liable to Buyer on account of any breach of any representation or warranty in the aggregate in excess of the amount equal to \$250,000, except in the event of Seller's fraud or intentional misrepresentation with respect to any representation or warranty regarding the environmental condition of the Property, in which case Buyer's damages shall be unlimited.
- 36. Condemnation and Casualty. Seller bears all risk of loss until Closing, and thereafter Buyer bears all risk of loss. Buyer may terminate this Agreement and obtain a refund of the earnest money if improvements on the Property are materially damaged or if condemnation proceedings are commenced against all or a portion of the Property before Closing, to be exercised by notice to Seller within ten (10) days after Seller's notice to Buyer of the occurrence of the damage or condemnation proceedings. Damage will be considered material if the cost of repair exceeds the lesser of \$100,000 or five percent (5%) of the Purchase Price. Alternatively, Buyer may elect to proceed with closing, in which case, at Closing. Seller shall not be obligated to repair any damage, and shall assign to Buyer all claims and right to proceeds under any property insurance policy and shall credit to Buyer at Closing the amount of any deductible provided for in the policy.
- 37. FIRPTA Tax Withholding at Closing. Closing Agent is instructed to prepare a certification (CBA or NWMLS Form 22E, or equivalent) that Seller is not a "foreign person" within the meaning of the Foreign Investment in Real Property Tax Act, and Seller shall sign it on or before Closing. If Seller is a foreign person, and this transaction is not otherwise exempt from FIRPTA, Closing Agent is instructed to withhold and pay the required amount to the Internal Revenue Service.

- 38. Notices. Unless otherwise specified, any notice required or permitted in, or related to, this Agreement (including revocations of offers and counteroffers) must be in writing. Notices to Seller must be signed by at least one Buyer and must be delivered to Seller and Listing Broker with a courtesy copy to any other party identified as a recipient of notices in Section 18. A notice to Seller shall be deemed delivered only when received by Seller and Listing Broker, or the licensed office of Listing Broker. Notices to Buyer must be signed by at least one Seller and must be delivered to Buyer, with a copy to Selling Broker and with a courtesy copy to any other party identified as a recipient of notices in Section 18. A notice to Buyer shall be deemed delivered only when received by Buyer and Selling Broker, or the licensed office of Selling Broker. Selling Broker and Listing Broker otherwise have no responsibility to advise parties of receipt of a notice beyond either phoning the represented party or causing a copy of the notice to be delivered to the party's address provided in this Agreement. Buyer and Seller shall keep Selling Broker and Listing Broker advised of their whereabouts in order to receive prompt notification of receipt of a notice. If any party is not represented by a licensee, then notices must be delivered to and shall be effective when received by that party at the address, fax number, or email indicated in Section 18. Facsimile transmission of any notice or document shall constitute delivery. E-mail transmission of any notice or document (or a direct link to such notice or document) shall constitute delivery when: (i) the e-mail is sent to both Selling Broker and Selling Firm or both Listing Broker and Listing Firm at the e-mail addresses specified on page two of this Agreement; or (ii) Selling Broker or Listing Broker provide written acknowledgment of receipt of the e-mail (an automatic e-mail reply does not constitute written acknowledgment). At the request of either party, or the Closing Agent, the parties will confirm facsimile or e-mail transmitted signatures by signing an original document.
- 39. Computation of Time. Unless otherwise specified in this Agreement, any period of time in this Agreement shall mean Pacific Time and shall begin the day after the event starting the period and shall expire at 5:00 p.m. of the last calendar day of the specified period of time, unless the last day is a Saturday. Sunday or legal holiday as defined in RCW 1.16.050, in which case the specified period of time shall expire on the next day that is not a Saturday, Sunday or legal holiday. Any specified period of five (5) days or less shall not include Saturdays, Sundays or legal holidays. Notwithstanding the foregoing, references to specific dates or times or number of hours shall mean those dates, times or number of hours; provided, however, that if the Closing Date falls on a Saturday, Sunday, or legal holiday as defined in RCW 1.16.050, or a date when the county recording office is closed, then the Closing Date shall be the next regular business day. If the parties agree upon and attach a legal description after this Agreement is signed by the offeree and delivered to the offeror, then for the purposes of computing time, mutual acceptance shall be deemed to be on the date of delivery of an accepted offer or counteroffer to the offeror, rather than on the date the legal description is attached.
- 40. Assignment. Buyer's rights and obligations under this Agreement are not assignable without the prior written consent of Seller, which shall not be withheld unreasonably; provided, however, Buyer may assign this Agreement without the consent of Seller, but with notice to Seller, to any entity under common control and ownership of Buyer, provided no such assignment shall relieve Buyer of its obligations hereunder. If the words "and/or assigns" or similar words are used to identify Buyer in Section 2, then this Agreement may be assigned with notice to Seller but without need for Seller's consent. The party identified as the initial Buyer shall remain responsible for those obligations of Buyer stated in this Agreement notwithstanding any assignment and, if this Agreement provides for Seller to finance a portion of the purchase price, then the party identified as the initial Buyer shall guarantee payment of Seller financing.

- ii. Seller's Election of Remedies. Seller may, at its option, (a) terminate this Agreement and keep that portion of the earnest money that does not exceed five percent (5%) of the Purchase Price as liquidated damages as the sole and exclusive remedy available to Seller for such failure, (b) bring suit against Buyer for Seller's actual damages, (c) bring suit to specifically enforce this Agreement and recover any incidental damages, or (d) pursue any other rights or remedies available at law or equity.

As Buyer's sole remedy, Buyer may either (a) terminate this Agreement and recover all earnest money or fees paid by Buyer whether or not the same are identified as refundable or applicable to the purchase price; or (b) bring suit to specifically enforce this Agreement and recover incidental damages, provided, however, Buyer must file suit within sixty (60) days from the Closing Date or from the date Seller has provided notice to Buyer that Seller will not proceed with closing, whichever is earlier.

- c. Neither Buyer nor Seller may recover consequential damages such as lost profits. If Buyer or Seller institutes suit against the other concerning this Agreement, the prevailing party is entitled to reasonable attorneys' fees and costs. In the event of trial, the amount of the attorneys' fees shall be fixed by the court. The venue of any suit shall be the county in which the Property is located, and this Agreement shall be governed by the laws of the State of Washington without regard to its principles of conflicts of laws.

- c. Electronic Delivery and Signatures. Electronic delivery of documents (e.g., transmission by facsimile or email) including signed offers or counteroffers and notices shall be legally sufficient to bind the party the same as delivery of an original. At the request of either party, or the Closing Agent, the parties will replace electronically delivered offers or counteroffers with original documents. In addition, notwithstanding Section 40 above, any party completing a Section 1031 like-kind exchange may assign this Agreement to its qualified intermediary or any entity set up for the purposes of completing a reverse exchange.

- 43. Information Transfer. - **44. Listing Firm, Listing Firm's Designated Broker, Listing Broker's Branch Manager (if any), and Listing Broker's Managing Broker (if any) represent the same party that the Listing Broker represents. If Selling Broker and Listing Broker are different persons affiliated with the same Firm, then both Buyer and Seller confirm their consent to the Brokers' Designated Broker, Branch Manager (if any), and Managing Broker (if any) representing both parties as a dual agent. If Selling Broker and Listing Broker are the same person representing both parties, then both Buyer and Seller confirm their consent to that person and his/her Designated Broker, Branch Manager (if any), and Managing Broker (if any) representing both parties as dual agents. PURCHASE AND SALE AGREEMENT
CBA Text Disclaimer: Text deleted by licensee indicated by strike.
New text inserted by licensee indicated by small capital letters.

The following is part of the Purchase and Sale Agreement with Reference Date <u>January 12</u> , 20 <u>22</u> (the "Agreement") between <u>Central Pierce Fire and Rescue</u> ("Buyer") and <u>Kelly D. Hall, Karen E. Campbell, and Alan L. Hall</u> ("Seller") regarding the sale of the property located at NEAR 92ND AVENUE EAST AND AND 152ND STREET E, <u>Puyallup</u> , WA (the "Property").
IT IS AGREED BETWEEN THE BUYER AND SELLER AS FOLLOWS:
Earnest Money – Upon expiration or waiver of the Feasibility Contingency, the Earnest Money will become Non-Refundable, except in the event the required Boundary Line Adjustment is not completed and approved by Pierce County.
Feasibility Contingency and Boundary Line Adjustment - The goal of the Seller is for the balance of the property NOT being purchased to be developable immediately following completion of the Boundary Line Adjustment (BLA). During the Feasibility Contingency Period, the Buyer complete a preliminary design of the BLA, and will investigate the timing required for its approval together with identifying any impacts Pierce County may impose on the balance of the property NOT being purchased. This information will be provided to the Seller for their review and approval during the Feasibility Contingency Period. The Seller will have Five (5) days to review and respond, following receipt of the information. If the Seller determines the proposed design and impacts are not acceptable, they may terminate the agreement and all Earnest Money will be immediately refunded to the Buyer. Boundary Line Adjustment (BLA) — Following waiver of the Feasibility Contingency, the Buyer will complete all
necessary survey, designs and submittals necessary for a BLA to modify the current property lines and parcel configuration. This configuration will be as mutually agreed to between the Buyer and Seller. The design and submittal fees will be paid by the Buyer. The Seller will grant an additional one hundred and twenty (120) day period following waiver of the Feasibility Contingency for design, submittal and approval of the BLA by Pierce County.
Utility Extension – The Buyer is not purchasing the .62 acre parcel labeled Lot 1 as shown on the attached aerial parcel map. The Buyer agrees to stub utilities (sanitary sewer, water, power) to the property line of this parcel, at the Buyer's cost, at the time of their development of the portion of the property being purchased. The Seller will grant the Buyer and their contractors access to the site as needed. Location of the utility stub outs to be mutually agreed upon by Buyer and Seller, so as to function well for future development of the parcel, but not cause unreasonable costs to the Buyer.
Hall Family Dedication & Recognition – As part of the development of the planned Fire Station on this property, the Buyer, Central Pierce Fire, agrees to dedicate and recognize The Hall Family in a permanent way.
ALL OTHER TERMS AND CONDITIONS of the Agreement remain unchanged.

SUMMARY:

1-Excited to announce our new Fire Educator, Courtney Thompson, started work this last Tuesday. Courtney comes to us from Arizona and has an extensive background in education. I am confident she is going to do great job for Central Pierce. She will be focused on Community Risk Reduction, social media presence and helping with public relations. I want to personally thank the BOC for approving the funding for this very important position.

2-As you may have heard DFM Levings will be on extended sick leave due to his cancer returning. We do not expect him returning to the office anytime soon. DFM Berdan continues to operate in his place.

3-The Great Escape is being presented to our districts 5th graders again this year after being canceled in 2021. There are still challenges and many schools will only allow small groups of students to gather at once. This has led to them requesting multiple presentations at the same school. We are doing the best we can with the resources we have available.

SUMMARY:

August Ballot Measures

Staff continues to work with Lund Faucett on our efforts towards the August Ballot Measures. We now have a solid work plan that informs our actions month to month through the election.

Armory Property

Staff has met with the parties that are signature to the MOA. There has been some miscommunication through the process. Staff now understands that the MOA will have little impact to Central Pierce developing the site. The MOA also provides the opportunity for the District to develop the "Memorial Plaza" in the fashion desired by the Commissioners.

Policy Revamp

The Fire Chief's Office is developing the necessary communications and process to revamp the entire "policy book" for the District. The intent of this revamp is to get the number of policies/guidelines down to a manageable number that will allow for the legal, appropriate, and manageable administration of the organization. It is expected that this process will initiate in February and carry on through 2022.

Staffing Software

Staff continues to work towards implementing Vector Scheduling to replace TeleStaff. The software is part of the Vector Solutions suite of capabilities and may allow for greater operational efficiencies in the future. The costs for Vector Scheduling would be neutral, as the District would end its contract with TeleStaff, freeing up those funds.
