SUMMARY:

1. April 2025 Financial Report

- a. OVFR reports are reported as of March 31, 2025. April was not yet available.
- b. GFR & CPFR are reported through April 30, 2025.
- c. The Combined Fund Balance Report reports all CPFR, GFR, and OVFR funds and reserves total as of the month end periods listed above.
- d. Notable Items
 - i. Revenue - Operating Revenue (\$72.3M CPFR) is approximately \$1M over anticipated.
 - ii. Expenditures
 1. Overtime District wide is at 90.4% of budget which is \$5.4M in excess of planned.
 - a. The projected shortfall of overtime continues as we're seeing actuals in Jan – Apr of approximately \$1.8M – 2.3M per month. The majority of this is in suppression, as its budget is now negative.
 - b. May overtime is following the same trend, even with operations changes that went into effect 4/8/2025. Chief is working with Ops and the Union to devise a plan that is sustainable.
 2. Operations overall are at 36.8% which is roughly 3.5% above anticipated.
 3. Fleet is again over target, increasing their shortfall of 3.3% to 6.1% in April 2025. Outside work (sublet) and paint and body work (typically insurance recoverable) are the primary causes. Finance has identified with Chief Berdan a better estimate and will bring the recommended increases to the Board with the Mid-year amendment.

- **Refurb** Pierce Pumper (E04-1): New estimate of July, 2025

Facilities

Station 66 will be ready for occupancy on June 1. Overall, the renovation cost \$1.2M and included demo, drywall, plumbing, and electrical. The most noticeable upgrades for those that worked in the old 66 will be the conversion of the shared bathrooms to single occupancy units and the buildout of the gym on the west side leaving the mezzanine as a walled-in storage room.

The facilities building project at Station 64 is underway. The demolition and removal of the out-building has begun. The projected completion date of the new pole building is mid-September.

Feasibility for the C-street property sale has been extended by mutual agreement while we address some property line encroachments with the neighbors. The original seller is cooperative and we hope to have the issue resolved to the buyer's satisfaction in short order.

Preparations are underway to relocate staff during the retrofit of the AOC building for seismic upgrades. Staff will be housed at various locations throughout the district for 6-8 weeks starting in July, to include Station 60, 66 and the Annex.

Logistics/IT

Logistics Captain Don Hodges is retiring at the end of May. It is with the utmost gratitude and respect that we wish him farewell. We know he'll transition smoothly into a life full of grandkids and fishing trips. He will be missed!

SUMMARY:

Fire Service Collaboration

The election was certified on May 2nd with GFR voters approving at almost 87% and OVFR voters approving at almost 84%. At the May 12th Board meeting, all three Boards signed the Concurrent Resolution acknowledging and agreeing to the passed Resolutions. Our directorate continues to work on the legal steps needing to be completed before December 31st and the communications to align us as one fire district.

Wildfire Awareness Month

May is wildfire awareness month, and we have kicked off our initiative to encourage community members to prepare for the upcoming wildfire season. This month and throughout the summer, you can expect to see an emphasis on wildfire prevention, preparedness, evacuation levels, and what our fire district is doing to respond to wildfire more effectively across our social media platforms.

Education and Outreach Events

We began our Farmers' Market presence, sharing information regarding the merger vote, fire and life safety and careers in fire service. Dozer Days event was held at the WA State Fairgrounds, allowing kids to get up close and personal with emergency apparatus, construction equipment, and other vehicles. It was a well-attended event! On May 25th, the district will again participate in the VFW's Memorial Day Ceremony, with Truck 72 displaying a large U.S. flag from its ladder, and Chief Morrow presenting a wreath on behalf of the fire district.

We are continuing to present Arrive Alive at the area high schools, for their senior classes and have begun our Community Helpers in the kindergarten classes, which will close out the 2024 – 2025 school year educational offerings.

Washington Fire Chief's Conference

I had the opportunity to attend the WFC Conference this past week. The conference proved valuable, as I attended courses on Behavioral Health, Legislative efforts at the local, state and federal level, and several courses relating to the Washington State Rating Bureau. Finally, I had the opportunity to explore what is occurring within other departments/districts within the state, leaving me with the impression that our organization is on the right track in many areas.

Deputy Chief- Emergency Services Directorate

Effective June 1st Chief Rosenlund will pick up the responsibilities for the Emergency Services Directorate and Chief VanKeulen will be assigned as an Executive Officer focusing on a successful merger implementation along with several other longer term strategic projects.

Dear Eric Anderson, Brian Budd and Spencer Deese,

The purpose of this letter is to express my genuine thanks to you for your efforts to clean up the landscaping at Station 72.

When I returned to the station and saw the results of your work, I was truly impressed. The fact that you planned on doing this, brought your own tools from home and did such an incredible job speaks to your leadership and work ethic.

In the scheme of things, it's a small job, but the truth is, you're a busy crew and this station sees a tremendous amount of traffic. Those citizens waiting at the traffic light are looking at a station that should be the pride of the community and you demonstrated pride and ownership with your deeds.

I'm proud of you and grateful.

Sincerely,

Battalion Chief Matt Santos

Dear Fabien,

You have been recognized by one of your peers who wrote:

"On the morning of May 9th, FF Teyssedre was on his way from St. 61 to St. 60 to work when a cardiac arrest was toned in St.61's area. Fabien was aware of the call through pulse point and turned off to the call and administered CPR until Station 61 crews arrived to take over. Mr. Tyssedre then went on his way to station 60 to work without any other thought. When asked about it he said he saw the call and couldn't pass the call knowing it was a possible cardiac arrest. The station 61 crews attained ROSC and transported the pt to St. Joes Hospital. The sooner CPR is started the better the outcome and FF Teyssedre played a key role in helping one of our citizens and living CPFR's purpose of people helping people."

You were recognized by Battalion Chief Logan Kovash. Thank you for your devotion and loyalty.

Respectfully,

Cathy Spicer

To whom it may concern,

I am honored to have the opportunity to share some information about my mentor and friend, Captain Paramedic Don Hodges. I am qualified to do so as I've had the pleasure of working with Don my entire fire service career in multiple capacities.

Don was hired in May of 1997 with Puyallup Fire Department. He graduated the fire academy as a member of the Chief's company and was elected the Outstanding Recruit by his classmates.

Within a couple of years, he took on the challenge of attending paramedic school. He continued to maintain his medic certification for the remainder of his career.

Early in my own career, I served as a Rescue Driver for Don as he set the standard for what a paramedic should be. He practiced some of the best medicine I have ever seen. He always treated people exceptionally well which inspired me in my own practice when I later became a paramedic. We continued to work together as medics for many years and he played a key role in my development as a paramedic, firefighter, and human being.

Some years later when I was promoted to Lieutenant, Don bid to drive for me as a new company officer. There is no debate that he became one of the finest driver operators in the department, spending countless hours on the drill ground honing his craft. Most importantly to me, he continued to inspire and develop me into a capable company officer. Later in his career, Don earned the position of Logistics Captain where distinguished himself as an indispensable member of the Logistics team. The accomplishments of that position often go unheralded but Don still approached his job with the same level of effort he is famous for. His absence there will be felt immediately.

Don also carries a quiet resume as an amazing philanthropist. His humility keeps him from sharing most of the great things he does for the community. Not many people would take on some of the beautiful challenges that he has. From heading major programs to raise awareness for childhood cancer to working with our community's youth, Don has undeniably advanced us all.

I am proud to call Don my mentor and friend. He has continually performed beyond the norm for members of our profession and set the standard that most of us can only hope to achieve.

I am so proud of him for his accomplishments as a firefighter, father, mentor to many, and friend. Please join me in wishing him and his family nothing but success and happiness in his retirement. We are losing a good one.

Humbly and Respectfully,

Chris Aronow
