SUMMARY:

Training

The 30 Lateral Firefighters completed their three week training process. They are now on shift where they will continue their training riding as a 4th firefighter. The entry level firefighters graduated from their academy on June 5th. They will also be moving to shift for 8 weeks of additional training as a 4th firefighter. Riding as a 4th allows them to learn our way and model what the 3rd position firefighter is doing in a less stressful and more supportive environment. Training staff is also supporting the Wildland Urban Interface training that will be concluding this month with a series of large-scale in-depth drills.

Safety Division Report

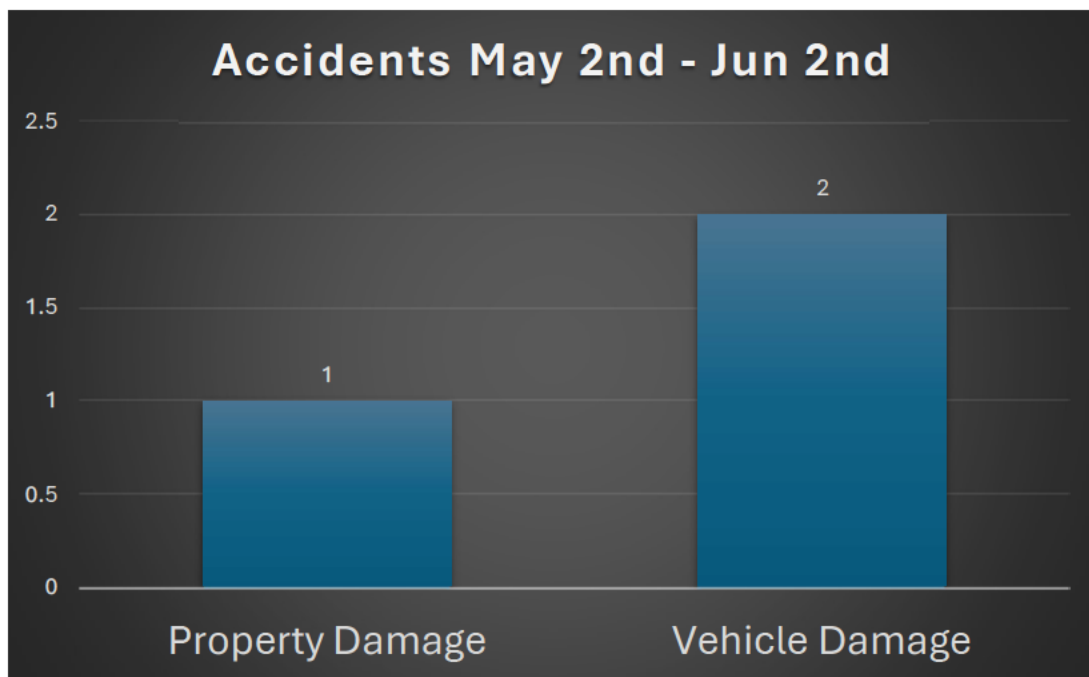

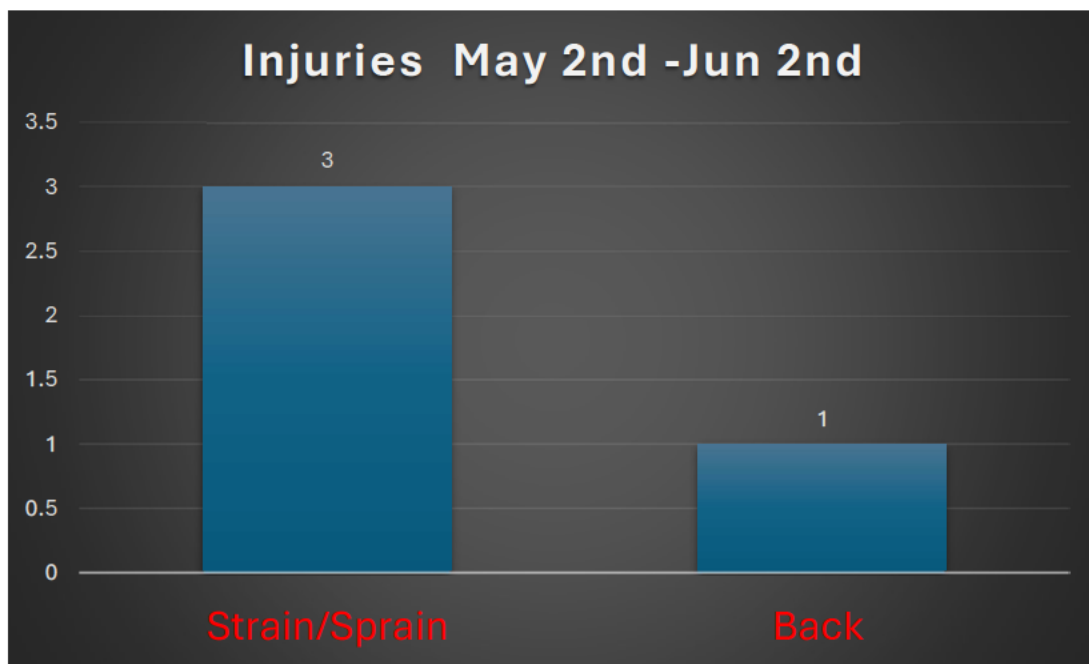

Staff have been working on the Stand Down for Health and Safety which will happen in June. This is a nation wide event and is in collaboration with the Health and Wellness Division. There will be a number of Safety related trainings and information provided to the staff to review and complete. The focus this year is on carcinogen reduction.

Health and Wellness

As mentioned above H&W staff have put together a significant amount of information related to FF Health and Safety. The first week of June focused on Sleep Hygiene and its importance. The district will be offering a Sleep Health class on June 21st and 22nd. Workouts and a healthy recipe were also provided to staff. There will be a variety of Health and Safety information and training during the entire month of June.

Professional Development

Staff is preparing for the upcoming promotional ceremony. They are also working on a review of our After Action Report and Hot Wash processes.

South Pierce Fire & Rescue

Chief Gibson has been working with the South Pierce Fire & Rescue Commissioners to explore an extended agreement through June of 2026 between the two Districts. This extended agreement timeline would allow the continued regionalization discussion to be explored at a much more reasonable pace, while allowing additional collaborative efforts to occur along the way.

I intend to bring an additional amendment to the current agreement through our board process later this month.

Fifth Graders- Station 40

I had the amazing opportunity to join Staff that hosted 86 fifth graders from the Orting School District at Station 40. The event was energizing and reminded me of the importance of being connected with your youth, especially as it relates to influencing their safety in the long term. I was proud of our organization for the amazing engagement.

- Digital Board Books- training at the Board Workshop.
- Station 92- pending design discovery. Signage installed on property.

"On May 18th, E61 and units assigned were dispatched to 404 123rd St E for a residential structure fire. AO Murray and FF Van Dijk dedication to training and motivation and discipline for the job were proven on this fire. E61 had a water supply and a knock on the fire within five minutes after arriving on scene keeping the fire to just room and contents and saving the rest of the house. Craig and Bjorn saved the citizens house on this date. This was a true example of dedication to excellence. AO Murray and FF Van Dijk behaviors and actions are a true example of our values as an organization. These Firemen make my job easy and I am truly lucky to serve alongside them."

Lane Brown

Dear Lane,

You have been recognized by one of your peers who wrote:

"I would like to recognize Lane for his hard work and dedication on the design and purchasing of the new portable training trailer. Lane spent many shifts and days off working on the design, build and delivery of this trailer. He put his heart and soul into the process. This project started out as just a forcible entry door for station 72 to train with. When asked by the chiefs to come up with something more involved, to improve training around the district, the snowball was created! Lane took on the project with vigor and enthusiasm and I think the end project came out great. Lane had some speed bumps throughout the process dealing with all the different divisions and standards involved, but he handled the adversity well. I think he learned a lot through the process and I would just like to congratulate him on a job well done."

You were recognized by Captain Charlie Kemp. Thank you for your devotion and loyalty.

Respectfully,

Cathy Spicer
