CENTRAL PIERCE FIRE & RESCUE

RESOLUTION NO. 25-07

A RESOLUTION OF THE BOARD OF FIRE COMMISSIONERS OF CENTRAL PIERCE FIRE & RESCUE, AMENDING RESOLUTION NO. 13-01 WHICH MODIFIED THE RETIREE MEDICAL BENEFIT FOR LEOFF 2 EMPLOYEES.

WHEREAS the Board of Fire Commissioners finds it in the best interest of the District and its employees to continue a retiree medical benefit for LEOFF personnel, and

WHEREAS the Board of Fire Commissioners recognizes that medical plan expenses has increased substantially and this expense has affected the ability of LEOFF 2 employees to retire prior to Medical eligibility, and

WHEREAS the District has determined that replacing employees at retirement age with new employees provides a cost savings that can be shared with retirees by establishing a retiree medical benefit, and

WHEREAS, on December 8th, 2008, the Board of Fire Commissioners adopted Resolution No. 08-19 establishing a retiree medical benefit for LEOFF 2 personnel, and

WHEREAS, on December 14th, 2009 the Board of Fire Commissioners amended Resolution No. 08-19 with Resolution No. 09-26 to provide for Board discretion in approving exceptional cases which are in the best interest of the District and its employee, and

WHEREAS, on May 9th, 2011, the Board of Fire Commissioners amended Resolution No. 08-19 and Resolution No. 09-26 with Resolution 11-02 to provide further clarification on the rules of the Retiree Medical Benefit, and

WHEREAS, on December 27th, 2011, the Board of Fire Commissioners amended Resolution No. 11-02 with Resolution no. 11-20 changing the 2011 cap from \$510.00 to \$515.12; and

WHEREAS, on January 28th, 2013, the Board of Fire Commissioners amended Resolution No. 11-20 with Resolution no. 13-01 changing the 2013 cap from \$515.12 to \$530.77; and

WHEREAS, the Board of Commissioners now wishes to amend Resolution No. 13-01 as outlined below;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners for Central Pierce Fire & Rescue, that the District revised the Retiree Medical Benefit with the following rules:

1. Only LEOFF 2 employees are eligible for this benefit.
2. Employees must be at least 53 years old on their date of retirement, and have worked with CPFR for a minimum of 20 years.
3. If an employee gives notice to the District, and then does not retire, retiree medical benefit will be forfeited forever for said employee.
4. This retiree medical program will end after 12 years, upon employee's eligibility for Medicare or employee turns age 65, whichever occurs first.

5. Employees wishing to retire must notify the District by October 1st of the previous year. Employees must retire during the second quarter of the following year (April 1 – June 30).
6. Effective January 1, 2026, the maximum monthly VEBA payment will be \$1,264.17 and will be placed into the retiree's account each month. The monthly payment amount of \$1,264.17 will remain flat until actual premiums exceed this contribution amount. In the event actual rates exceed the VEBA contribution amount, contributions to VEBA will be increased by the increase in rates, up to a maximum of 7.5% annually. If actual premiums decrease, VEBA contributions will decrease accordingly.
7. If an employee continues to work beyond their 59th birthday, their retiree medical benefit level will drop ten percent (10%) each year (compounding annually).
8. Exceptions to the timeframes for notification and retirement will be considered on a case-by-case basis and, if deemed to be mutually beneficial to the employee and to the District, may be approved by the Board of Fire Commissioners.
9. The District may limit this benefit to fifteen (15) employees per year. If more than fifteen (15) employees give written notice in one year, employees with the highest combined years of age and employment with CPFR will have priority.

Retirees John Barkas and Dale Stutesman will receive a flat rate contribution of \$600 per month into their VEBA account.

If a national medical plan becomes available with similar/like coverage, retirees will be moved to that program.

If the District changes medical plans, the District and Union must agree on the new medical plan provider and benefit amount. The District also agrees to meet and confer with the Union prior to making changes to the plan for future retirees.

ADOPTED by the Board of Fire Commissioners of Central Pierce Fire & Rescue, Pierce County, Washington, at a regular meeting held this 10th day of November 2025, by a majority of the members.

SUMMARY:

We have now completed the third of five planned bid rounds. These phases have included the realignment of several suppression units and the reassignment of personnel to address both permanent and temporary vacancies created through retirements, promotions, and internal movement earlier in the year. The process has been well-received, with strong participation and cooperation from both line personnel and the staffing team.

The bid process continues to improve crew balance, enhance leadership development opportunities, and ensure equitable access to desirable assignments.

Training

Training division staff are working with Operations to continue our Fire Ground Operations (FGO) training during the 4th quarter. This training consists of several fire apparatus conducting a large drill at the same time. The focus of the drills are consistent operations, coordination of tasks, effective communication and improved performance on the emergency scene. The drills take place on Fridays and will involve all crews through the remainder of the year.

Safety Division Report

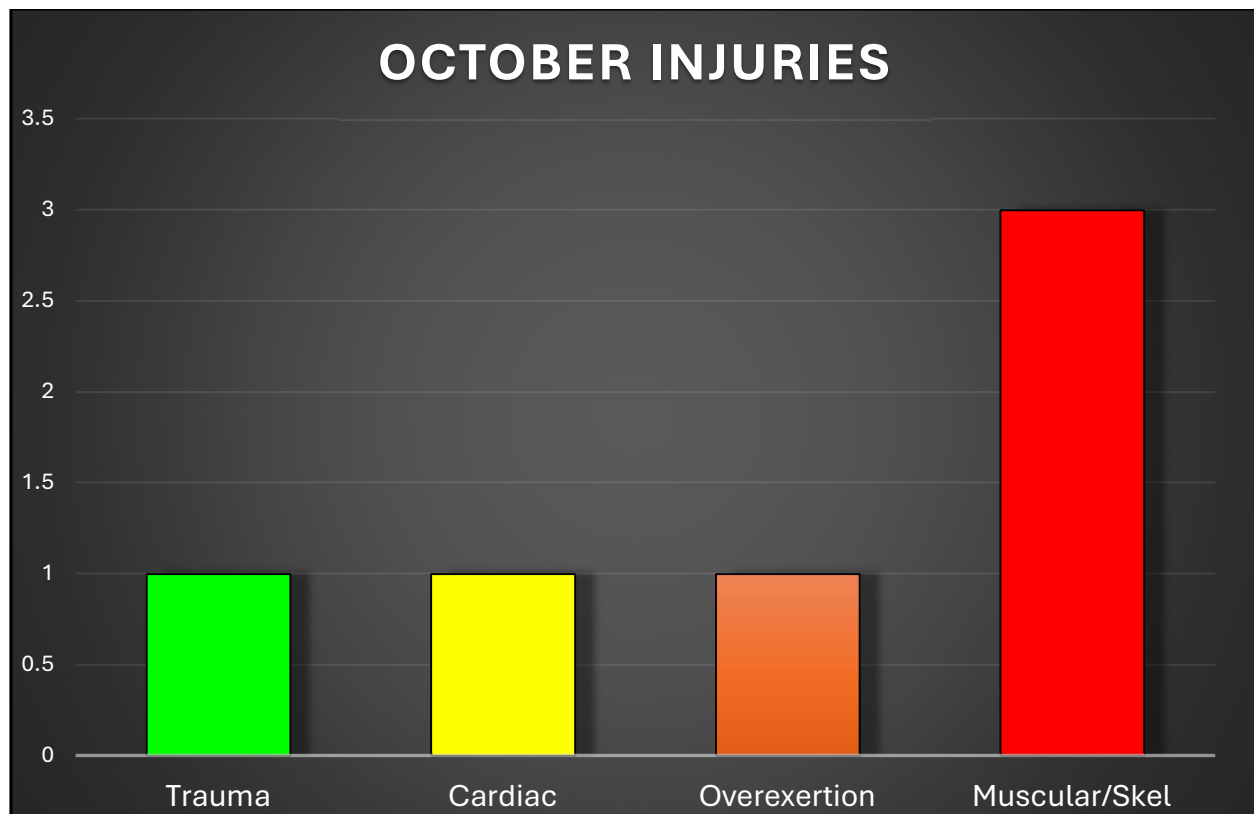

Safety has recently completed the Safety Data Sheets (SDS) implementation project. The goal of the project is to make it easier for all employees to access information about any chemical the district is using that they may be exposed to while at work. Each station's Safety Board has been updated with the new information about the SDS.

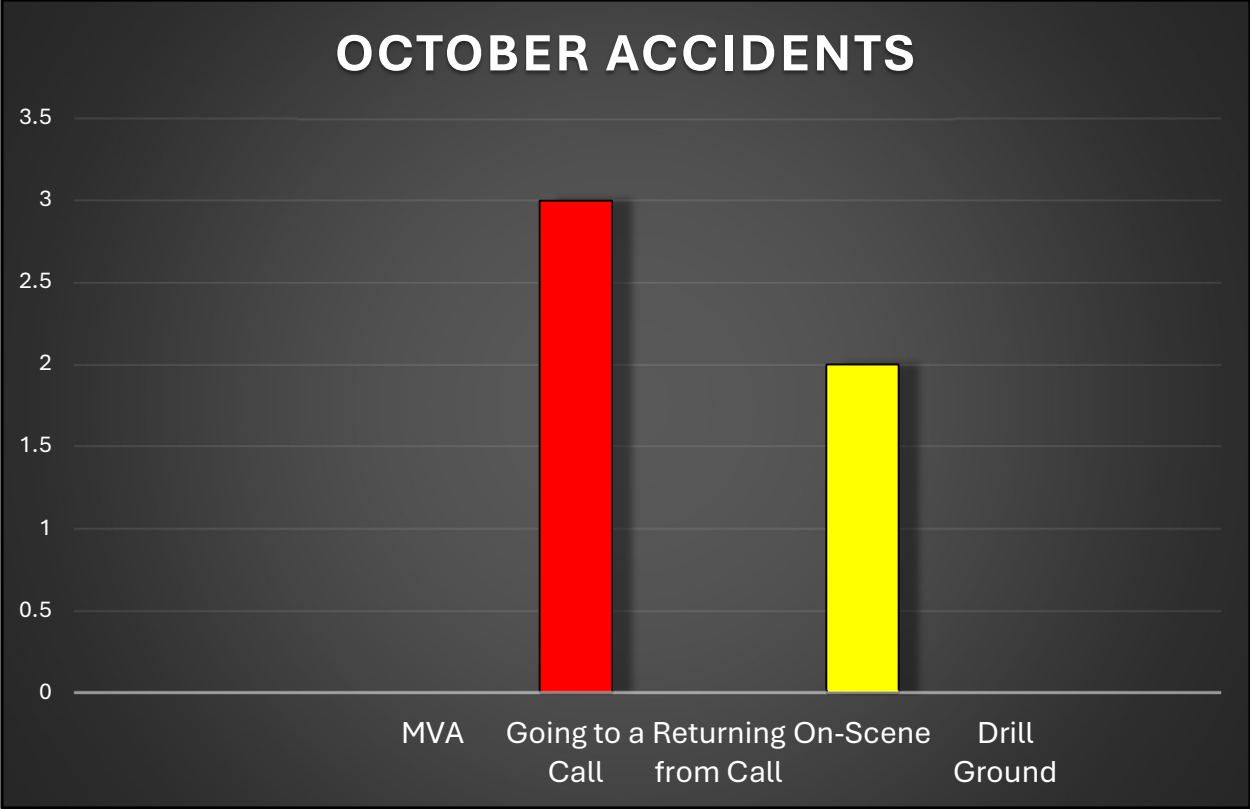

Health and Wellness

The O2X class took place on October 28th and was a success. There were over 2 dozen employees in attendance that learned about a variety of health and wellness related topics. H&W staff recently met with members from Central Kitsap Fire and Rescue to see if we could work collaboratively with them on several H&W related programs. The initial meeting went very well and we are looking to continuing our discussions with them in the future.

Professional Development

Professional Development staff has been receiving feedback from the survey they sent out requesting insight on career pathways. I had a good conversation with a Deputy Fire Marshall about how this new pathway can help with their initial training and ongoing continuing education requirements. He was excited to hear about the work the district is doing for employee growth and development.

SUMMARY:

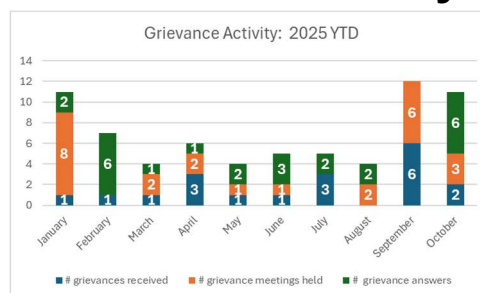

Labor Relations

- 726 Firefighters
 - We are actively working with our labor attorney on the response to two separate ULP's that were filed.
 - In addition, we heard and responded to many grievances, mostly based on staffing.
- 726 Non-Uniformed
 - We have had six (6) sessions to date and things are progressing well. We have exchanged proposals and counter-proposals and are working towards completing the non-economic items and then finishing with the economic items.
 - We also anticipate receiving the results of the election among the Central Stores employees that went through PERC to be part of this bargaining unit a few days after the writing of this AIS. If the vote is successful, we are ready to address those positions within the current contract negotiations.
- New Administrative Bargaining Unit
 - We held our first meeting on November 4th. This will be the "new" bargaining unit that will take the place of the current OPEIU and Graham Guilds and will combine all personnel. We have several more dates on the calendar and are optimistic that we will be able to work together to create a new contract.

Classification and Compensation

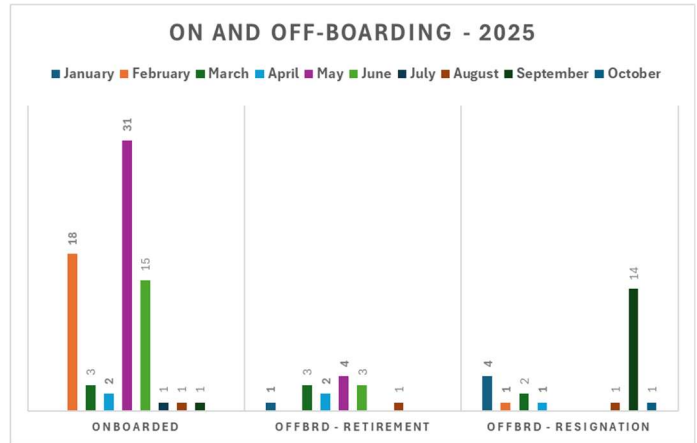

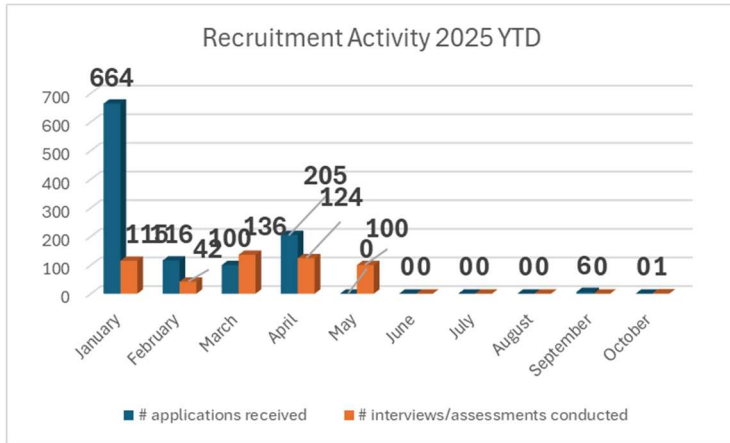

- We are nearing the end of the huge Classification and Compensation project for the administrative group.
- We have conducted numerous market studies for the above project, as well as for the non-uniformed bargaining unit and are finishing up one for the non-uniformed personnel, in anticipation of 2026 salary schedules being created for your approval.
- We are also working on a draft Board policy that would set the compensation philosophy for the District that we look forward to discussing with you very soon.

South Puget Sound Fire Defense District Meeting

I attended the South Puget Sound Fire Defense District Meeting this past week.

Representatives from Mason, Kitsap, King, and Pierce Counties met to review our response to 21 mobilization requests in 2025. There were plenty of good exchanges on lessons learned and ways to improve the process for next season. I was very pleased with the outcomes of the meeting.

Graham-Kapowsin Community Council

Director Roberts and I met with the leadership team of the Graham-Kapowsin Community Council to identify where the two organizations might partner more closely in our combined effort to serve the community. The Commissioners should expect additional dialogue about this relationship in forthcoming board meetings.

Continuation Items:

- Station 92- Design vendor engaged, design work commencing.
- Station Zero- property listed for sale. Price adjustment pending.
- Station 42- PSTC (Tower) permits requested through Pierce County.
- C Street Property- PSA expired. Staff exploring options.
- Station 41 (Shaw Road)- station project paused.
- Station 73- Lease agreement pending. Project pending.

Savannah Robertson,

October 2025

I would like to formally recognize and thank Public Educator Savannah Robertson for her critical role in Fire Prevention Week 2025.

Fire Prevention Week is a core initiative of all fire departments throughout America. While we have engaged in a variety of events and initiatives in the past to celebrate, it has been clear to our division that something more meaningful for our community could exist. This year, the NFPA presented its most out-of-the-box Fire Prevention Week theme: Charging into Fire Safety (Li-Ion Battery Safety), and this became the perfect opportunity to introduce something new, something that was more than anything we have done before. It was quite the task, and when presented with the opportunity to take the lead on this critical week's work, you were 100% in the whole time. You took a new, challenging theme and brought it to life for our community.

While most people only saw the final product of your work (which included videos, an Open House, and educational materials), I know that you put in many hours on the phone, in email threads, bouncing ideas off of colleagues, coordinating with officers, creating meaningful materials for participants, and brainstorming ways to make this the best event possible. In the months before Fire Prevention Week, you worked with community partners, such as LRI and Bricks for Kids, as well as our internal resources, the HazMat team and Garrett Morrow, to create a multi-layered approach to lithium-ion battery safety. Simply by being who you are, an incredible professional with contagious enthusiasm, you were able to partner with LRI and Bricks for Kids at no cost to the district. Your expertise and deep understanding of how children best learn were evident in your implementation of an interactive passport to ensure every Open House participant had a chance to maximize their learning. Your creativity, dedication, and forward-thinking made this year's social media campaign and Open House an absolute success.

Savannah, you are an incredible asset to our team, and the community is lucky to have you working behind the scenes to bring fire safety to life for them. Thank you for being a truly wonderful colleague who embodies "People Helping People."

With deepest gratitude,

Courtney Thompson

Tanner Sayler

Dear Tanner,

You have been recognized by one of your peers who wrote:

"Success is when preparation meets opportunity"- Zig Ziglar.

Lt. TJ Poe, FF James Dorsey, and FF Tanner Sayler lived this quote the morning of October 16th. Barely 45 minutes into their shift they, along with other units, were toned to a house fire a couple of blocks from Station 60. E65 was assigned to primary search of the structure with the initial incident commander already calling out "hoarder conditions". The three of them entered the structure and started searching with the bedrooms first and making their way through the residence until they came upon the victim in the living room.

With hoarder conditions in the house there was items piled above the waist with "trails" leading to different rooms. As E65 searched and came to the living room, they found the stacked items knocked over from the fire control units. Hearing a moan, they redoubled their efforts and removed debris from the person, locating him and ultimately pulling him out.

Going to a fire and "making a grab" is what most of us got into the fire service for. The chances that we will ever be in a position to save someone from a fire are relatively low. TJ, James, and Tony, I could certainly pat you on the back and say, "good job", because that's what you did, but I'm writing this to reflect the dedication and importance that you have put into training and the result it produced that morning.

This recognition isn't about you going above and beyond, it's about you putting in time. Grinding day in and day out for an opportunity that may never present itself, but knowing that if it did, you would be ready.

Proud is an understatement of how I feel watching you guys day in and day out. Thank you for being on A shift and for the dedication to the job.

*One proud Battalion Chief,
Logan Kovash*

Thank you for your devotion and loyalty.

Tim Susee,

This letter aims to express our deepest appreciation and sincere commendation for the outstanding efforts and dedication you have demonstrated for Station 70 ("The Fair Station"). The prestigious Station 70 Coin is much more than a token of recognition; it symbolizes exceptional commitment that extends beyond the ordinary call of duty. Your contributions in Public Education, Emergency Preparedness, Station Improvements, and Overall Station Relations have truly set a benchmark for excellence. These areas are deeply embedded in Central Pierce Fire & Rescue's purpose of *People Helping People* and reflect our unwavering core values of compassion, trust, courage, humility, and ownership, which you have admirably embodied.

Your actions have consistently exemplified these characteristics, and your unwavering commitment has not gone unnoticed. As recognized by the Prevention & Education Division, we are immensely proud to award you the Station 70 Coin. Thank you for everything you do to enhance our service to and engagement with the community. Your collaborative efforts and dedication toward achieving our common goal inspire us all.

As we all know, the fair is a huge lift each year with the reward of happy, engaged community members. The amount of time, logistics, planning, organization, and execution that is required to make it run smoothly is massive, and we recognize that this work is often the invisible labor that is largely thankless. We know that you hold yourself to incredibly high standards, and you are not in this for the recognition. However, we would be remiss to not spend a moment recognizing your hard work, leadership, and support. Our division, this organization, and our community are lucky to have you with us, Chief Susee.

Sincerely,

The Prevention & Education Division

As we all know, the fair is a huge lift each year with the reward of happy, engaged community members. The amount of time, logistics, planning, organization, and execution that is required to make it run smoothly is massive, and we recognize that this work is often the invisible labor that is largely thankless. We know that you hold yourself to incredibly high standards, and you are not in this for the recognition. However, we would be remiss to not spend a moment recognizing your hard work, leadership, and support. Our division, this organization, and our community are lucky to have you with us, Captain Wohrle.

Sincerely,

The Prevention & Education Division

Chief Morrow,

Thank you for opening station 66 again. We bought our house at [REDACTED]. In 1990 and have watched the evolution and growth of our community. Having had two sons who went to Zeiger, Ballou and Rogers it was always reassuring to have EMS close at hand. My wife and I monitor PulsePoint and stay informed about the various calls. The uptick in medical calls in our 35 years here is phenomenal. Just got the newsletter today and that was a nice update. Keep up the good work and we are fortunate to have Central Pierce in our community.

Thanks,
Scott Thompson
