Life Jacket—More than just Words

It's worth remembering that a life jacket is a jacket that can save your life. A life jacket is also called a Personal Flotation Device or PFD. There are different types of life jackets for different purposes.

Type 1—Off-Shore

Type 2—Near-Shore

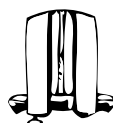

Type 3—Most Water Sports

Type 4—Throwable Flotation
—like a seat cushion

Type 5—Special use life jacket

Trouble in the water!

Bobby needs your help. Complete the dot to dot to help Bobby. Start at dot 1 and draw a line to dot 2.

Connect all the dots to complete the missing help he needs. Color the picture.

Safety Reminder

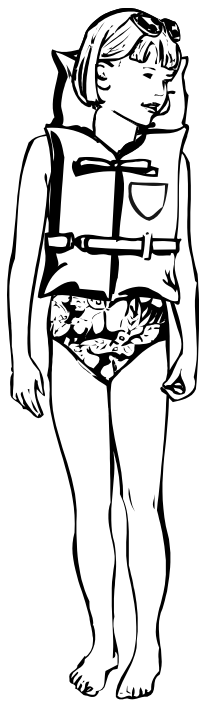

When near shore or on a boat, wear your life jacket. Just like Bobby, you never know when you will need your life jacket.

Parent Note

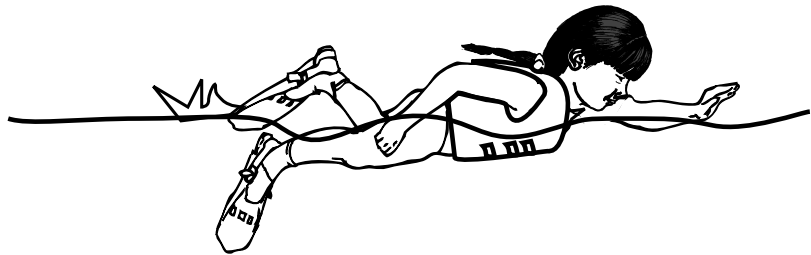

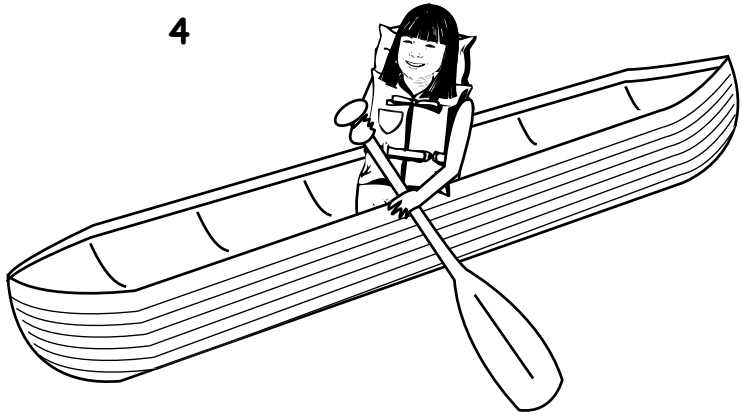

The best thing anyone can do to stay safe in and around the water is to learn to swim. However, nothing replaces proper adult supervision when children are around water.

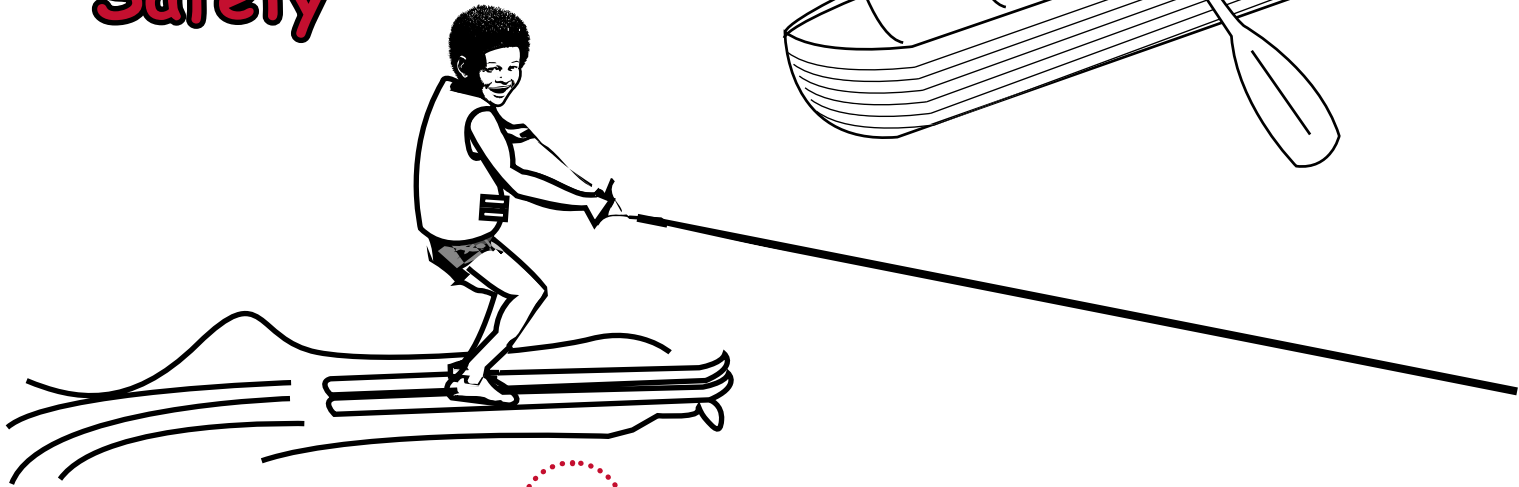

Melissa wants to do many things while she is enjoying summer. List all the activities (things to do) that the children are doing. After you fill in all the activities, use the circled letters to put together the special word which is important to remember while having fun in the water!
